BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

SJN  
Docket No: 6667-14  
6078-92  
6 July 2015

5 U.S.C 552(b) (6)

Dear 5 U.S.C 552(b) (6)

This is in reference to your reconsideration request submitted through the Office of the Staff Judge Advocate, Marine Corps Installations West-Marine Corps Base, Camp Pendleton, California. You previously petitioned the Board and were advised in our letter of 20 May 1994, that your application had been denied. Additionally, you petitioned the Board for reconsideration of your case and were advised in our letter of 23 October 1997, that your request had been denied.

Your current request has been carefully examined by a three-member panel of the Board for Correction of Naval Records, sitting in executive session on 12 June 2015. The names and votes of the members of the panel will be furnished upon request. Documentary material considered by the Board consisted of your application and any material submitted in support of your request.

You presented as evidence, various letters requesting assistance for injuries you alleged occurred while on active duty, and a medical narrative summary covering the period from 6 to 12 July 1982. Although some of the evidence you presented is new, it is not material given your pattern of misconduct. Accordingly, your reconsideration request is denied.

It is regrettable that the circumstances of your case are such that the Board will not process any additional reviews and this matter is considered a final action. However, if you wish to continue to seek relief you will need to present your concerns to a court of appropriate jurisdiction.

Sincerely,

5 U.S.C 552(b) (6)

ROBERT J. O'NEILL  
Executive Director
