1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected by removing the undated service record page 11 ("Administrative Remarks (1070)") entry whose first sentence reads as follows: "Counseled this date concerning the following deficiencies: You violated Marine Corps Bases Japan Order 1050.5: Liberty Buddy Order." A copy of the contested entry is at Tab A.

2. The Board, consisting of [REDACTED], reviewed Petitioner's allegations of error and injustice on 22 January 2015, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

case has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of enclosure (2), the Board finds the existence of an error warranting the following corrective action:

RECOMMENDATION:

a. That Petitioner's naval record be corrected by removing the undated service record page 11 ("Administrative Remarks (1070)") entry whose first sentence reads as follows: "Counseled this date concerning the following deficiencies: You violated Marine Corps Bases Japan Order 1050.5: Liberty Buddy Order." This is to be accomplished by physically removing the page 11 on which the entry appears, or completely obliterating the entry so it cannot be read, rather than merely lining through it.

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
