1. Pursuant to the provisions of reference (a) Petitioner filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show that he was entitled to a Performance Mark Average (PMA) score of 3.80 vice 3.73 for a Passed but Not Advanced (PNA) point of .5 for the September 2011 Navy-wide advancement exam. Furthermore, that with the .5 PNA point, he would have advanced to E-6/OS1 from the March 2014 Navy-wide advancement exam.

2. The Board, consisting of Messrs. Exnicios, Ruskin and Midboe, reviewed Petitioner's allegations of error and injustice on 28 October 2014 and, pursuant to its regulations, determined that the partial corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that Petitioner's request warrants partial relief as described below.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds

the existence of an injustice warranting the following partial corrective action.

RECOMMENDATION:

That Petitioner's naval record be corrected, where appropriate, as follows:

a. Petitioner had an overall PMA score of 3.80 for the September 2011 Navy-wide advancement exam.

b. Petitioner received .5 PNA points for the September 2011 Navy-wide advancement exam.

Note 1: Petitioner's March 2014 Final Multiple was miscalculated and should be changed from 200.01 to 194.91.

Note 2: Petitioner's Navy Achievement Medal has already been incorporated into his service record, with no further change in score.

c. That so much of Petitioner's request for corrective action as exceeds the foregoing be denied.

d. A copy of this Report of Proceedings be filed in Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
