

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

JSR

Docket No. NR7865-14

15 October 2014

From: Chairman, Board for Correction of Naval Records  
To: Secretary of the Navy

Subj: [REDACTED]  
REVIEW OF NAVAL RECORD

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149 dtd 17 Jun 14 w/attachment  
(2) HQMC MIQ memo dtd 24 Jul 14  
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected by removing the service record page 11 ("Administrative Remarks (1070)") entries dated 15 October 2013 (copy at Tab A) and 8 April 2014 (copy at Tab B).

2. The Board, consisting of Ms. Polk and Messrs. Exnicios and Grover, reviewed Petitioner's allegations of error and injustice on 15 October 2014, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the Headquarters Marine Corps office with cognizance over the subject matter of Petitioner's case has commented to the effect that the request warrants partial relief, specifically, removing

from each of the contested entries "I understand that I am being processed for the following judicial or adverse administrative action under paragraph 6210.3 of MCO [Marine Corps Order] P1900.16F, by reasons of misconduct due to pattern of misconduct."

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an error warranting the following limited corrective action:

RECOMMENDATION:

a. That Petitioner's naval record be corrected by modifying the service record page 11 ("Administrative Remarks (1070)") entries dated 15 October 2013 and 8 April 2014 by removing "I understand that I am being processed for the following judicial or adverse administrative action under paragraph 6210.3 of MCO P1900.16F, by reasons of misconduct due to pattern of misconduct."

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

d. That the remainder of Petitioner's request be denied.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the

foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

JONATHAN S. RUSKIN  
Recorder

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)) and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.

ROBERT J. O'NEILL  
Executive Director
