

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

HCG  
Docket No. NR9227-14  
18 May 2015

[REDACTED]

Dear [REDACTED]

This is in reference to your latest reconsideration request dated 30 July 2014. You previously petitioned the Board and were advised in our letter that your application had been denied.

Your current request has been considered by a three-member panel of the Board for Correction of Naval Records, sitting in executive session on 15 May 2015. The names and votes of the members of the panel will be furnished upon request. Documentary material considered by the Board consisted of your application and any material submitted in support of your application.

After careful and conscientious consideration of the entire record, the Board determined that your statement that your discharge should be recharacterized pursuant to Presidential Proclamation (PP 4313), even though not previously considered by the Board, was insufficient to establish the existence of material error or injustice. The Board determined that your request did not meet the factors outlined in the proclamation by the President. Accordingly, your application has been denied.

In accordance with the foregoing, the Board determined that your assertions were insufficient to warrant further consideration in your case. In this regard, in the absence of sufficiently material evidence, for reconsideration, the decision of the Board is final, and your only recourse would be to initiate action, at no cost to the Board, to a court of appropriate jurisdiction.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert J. O'Neill", is written over the typed name.

ROBERT J. O'NEILL
