[REDACTED]

Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 with attachments  
(2) Case Summary  
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Petitioner, an enlisted member of the Marine Corps, filed enclosure (1) with this Board requesting, in effect, that his record be corrected by removing all Administrative Remarks (1070) NAVMC 118(11) (Page 11) related to wrongful drug use from his Official Military Personnel File (OMPF).

2. The Board, consisting of [REDACTED] and [REDACTED], reviewed Petitioner's allegations of error and injustice on 18 March 2015 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion provided by Headquarters Marine Corps (HQMC) dated 11 February 2015.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. An advisory opinion from HQMC states, in part, that Marine Corps regulations instructs that Page 11 entries concerning administrative discharge proceedings shall not be made if the proceedings do not, upon final review, result in discharge, and that all Page 11 entries related to wrongful drug use should be removed from Petitioner's OMPF.

CONCLUSION:

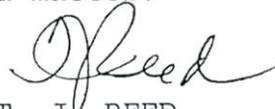

Upon review and consideration of all the evidence of record, the Board concludes that Petitioner's request warrants relief. The Board concurs with the advisory opinion from HQMC that all Page 11 entries related to wrongful drug use should be removed from Petitioner's OMPF.

RECOMMENDATION:

a. That Petitioner's naval record be corrected by removing all Administrative Remarks (1070) NAVMC 118(11) entries related to wrongful drug use from his OMPF.

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
