Subj: REVIEW NAVAL RECORD OF [REDACTED] USMC,
XXX-XX-[REDACTED]

Ref: (a) 10 U.S.C. 1552
(b) 10 U.S.C. 654 (Repeal)
(c) UNSECDEF Memo OF 20 Sep 11 (Correction of Military Record following Repeal of U.S.C. 654)

Encl: (1) DD Form 149 with attachments
(2) Case summary
(3) Subject's naval record (excerpts)
(4) Chief, Bureau of Medicine and Surgery (BUMED) memo dated 20 Apr 2017

1. Pursuant to the provisions of reference (a), Petitioner, a former enlisted member of the Navy, filed enclosure (1) with this Board requesting, in effect, that his characterization of service "Other Than Honorable (OTH)" discharge be changed per reference (b). He also impliedly requested that his narrative reason for separation "Homosexuality," and "RE-4" (not recommended for retention) reenlistment code be changed per reference (b). Additionally, that the separation authority "388 - Paragraph 13266.2a(1) Marine Corps Personnel Manual," be changed. Enclosures (1) through (4) apply.

2. The Board reviewed Petitioner's allegations of error and injustice on 2 May 2017 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Although enclosure (1) was not filed in a timely manner, it is in the interest of justice to waive the statute of limitations and review the application on its merits.

c. Petitioner enlisted in the Marine Corps on 5 November 1965. On 15 November 1966, he made a written statement admitting to his involvement in homosexual acts with civilians on

several occasions prior to joining the Marine Corps and while in an unauthorized absence status. As a result of the foregoing, administrative discharge action was initiated. After being afforded all of his procedural rights, it was directed that he receive an OTH discharge by reason of homosexuality. On 19 April 1967, he was discharged.

d. In January 2017, a request to upgrade Petitioner's characterization of service per Post-Traumatic Stress Disorder (PTSD) guidance was referred to the Chief, Bureau of Medicine and Surgery (BUMED) for review. However, after a thorough review of the record and the recommendation from BUMED, the Board determined that Petitioner's request supports Don't Ask Don't Tell (DADT) vice a PTSD case. As a result of the foregoing, the Board voted unanimously to approve the case as a DADT case.

e. References (b) and (c) sets forth the Department of the Navy's current policies, standards, and procedures for correction of military records following the "don't ask, don't tell" (DADT) repeal of 10 U.S.C. 654. It provides service Discharge Review Boards with the guidance to grant requests to change the characterization of service to "honorable," narrative reason for discharge to "secretarial authority," SPD code to "JFF," and reenry code to "RE-1J," when the original discharge was based solely on DADT or a similar policy in place prior to enactment of it and there are no aggravating factors in the record, such as misconduct.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of references (b) and (c), the Board concludes that Petitioner's request warrants partial relief. In this regard, the Board notes Petitioner's overall record of military service and current Department of the Navy policy as established in reference (c), that relief in the form of his characterization of service be changed to read "general," narrative reason for separation be changed to read "secretarial authority," separation program designator code changed to read "JFF," and reenlistment code be changed to "RE-1J." Additionally, that the separation authority be changed to read "MARCORSEPMAN 6214." In view of the above, the Board directs the following corrective action.

RECOMMENDATION:

That Petitioner's naval record be corrected to show that he received a "general discharge" by reason of "secretarial authority" on 19 April 1967, and was assigned an "JFF" separation code and a "RE-1J" reenlistment code. Additionally, the separation authority was MARCORSEPMAN 6214." It is further directed that he be issued a new Certificate of Release or Discharge from Active Duty (DD Form 214).

That a copy of this report of proceedings be filed in Petitioner's naval record.

That, upon request, the Department of Veterans Affairs be informed that Petitioner's application was received by the Board on 7 March 2016.
