

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

Docket No. 2910-16

SEP 27 2016

[REDACTED]

Dear [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of 10 USC 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 26 July 2016. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. The advisory opinion provided in NPC letter 5420 Ser 91/060 dated 25 May 2016 was sent to you on 6 June 2016 for an opportunity to comment prior to being considered by the Board. A copy of this advisory opinion is again enclosed. After the 30 day period for comment expired without a response, the case was presented to the Board.

In regard to your request for a personal appearance, be advised the Board regulations stated personal appearance before the Board are not granted as a right, but only when the Board determines that such an appearance will serve some useful purpose. In your case, the Board determined that a personal appearance was not necessary and considered your case based on the evidence of the record.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Specifically, there was not error or injustice provided sufficient enough to recommend invalidating the Assistant Secretary of the Navy (Manpower and Reserve Affairs) decision. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new evidence within one year from the date of the Board's decision. New evidence is evidence not previously considered by the Board prior to making its decision in this case. In this regard, it is important to

keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,
