(3) Subject's naval record

1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to adjust award points/time spent in the Middle East and be promoted to E-6.
2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 18 August 2016 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.
3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:
 - a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.
 - b. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following partial-corrective action.

RECOMMENDATION:

That Petitioner's naval record be corrected, where appropriate, to show that:

a. The Examination Profile Information and Exam Status for cycle 223, is modified to read awards points "12" vice "4", and your Final Multiple score (FMS) "191.76" vice "183.76".

b. That part of the Petitioner's request for corrective action that exceeds the foregoing is denied. Petitioner did not meet the minimum FMS of 192.36. Furthermore, Petitioner provided no official documentation showing that he served in Afghanistan for 90 consecutive days.

c. A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
