(3) Subject's naval record

1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to establish entitlement to a zone "A" Selective Reenlistment Bonus (SRB).

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 30 January 2017 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In regard to your request for a personal appearance, be advised that the Board regulations state personal appearances before the Board are not granted as a right, but only when the Board determines that such an appearance will serve some useful purpose. In your case, the Board determined that a personal appearance was not necessary and considered your case based on the evidence of the record.

c. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

That Petitioner's naval record be corrected, where appropriate, to show that:

a. SRB request was submitted and received by cognizant authority via OPINS/NSIPS 35 days in advance of the Petitioner's requested reenlistment date; it was approved. Note: Petitioner was discharged on 10 September 2016 and reenlisted on 11 September 2016. The term is 4 years.

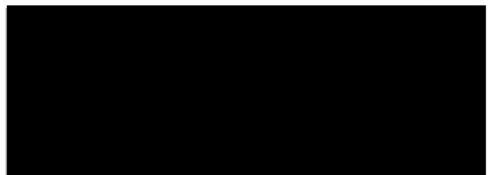

b. This change will entitle the Petitioner to a Zone "A" SRB with an award level of 1.5 (30,000 dollar award ceiling) for the CS(SW) rate.

c. A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)) and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.
