

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

██████████
Docket No. 5932-20
Ref: Signature Date

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD ICO ██████████, USN, XXX-XX-██████████

Ref: (a) Title 10 U.S.C. § 1552
(b) NAVADMIN 119/18

Encl: (1) DD Form 149 w/attachments
(2) BUPERS memo 1160 Ser B328/117 of 31 Aug 20
(3) Subject's naval record

1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting his naval record be corrected to establish entitlement to Zone "A" Selective Reenlistment Bonus (SRB).

2. The Board, consisting of ██████████, ██████████, and ██████████, reviewed Petitioner's allegations of error and injustice on 27 May 2021 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. Petitioner executed a 3-year reenlistment on 18 July 2018. Per reference (b), Petitioner was eligible for a Zone "A" SRB; however, command failed to submit the SRB pre-certification requirements to BUPERS-328 within the prescribed timeframe, thereby rendering Petitioner ineligible for the SRB entitlement. Although the proper administrative requirements were not completed, the Board felt that under these circumstances, relief is warranted.

Subj: REVIEW OF NAVAL RECORD ICO [REDACTED], USN, XXX-XX-[REDACTED]

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that SRB request was submitted and received by cognizant authority via OPINS/NSIPS in a timely manner; it was approved. Note: Petitioner was discharged on 17 July 2018 and reenlisted on 18 July 2018 for a term is 3-years.

This change will entitle the Petitioner to a Tier Three, Zone "A" SRB with an award level of 2.0 (\$30,000 award ceiling) for the Aviation Ordnanceman (AO) rating. Remaining obligated service to 22 March 2019 will be deducted from SRB computation.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
