

[REDACTED]

e. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

#### CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded that Petitioner agreed to the Marine Corps Security Forces (MCSF) and Marine Corps Security Guard (MSG) (Program code MG) for a 5-year term of enlistment. Petitioner erroneously was not afforded his enlistment incentive and was incorrectly assigned upon completion of SOI; therefore, the Board concluded that his contract should be adjusted to 4 years, which is consistent with the term of enlistment to which his career in the Marine Corps has aligned.

#### RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner agreed to the Infantry (Program code UH) for a 4-year term of enlistment.

The enlistment/reenlistment document (DD Form 4) executed on 2 January 2018 was for a term of 4 years, vice 5 years. Note: This will establish an EAS/ECC of 1 January 2022.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)) and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.
