

addition to the Primary Marine Occupational Special (PMOS) bonus amount listed in section(s) 3.m, 3.n, and 3.o. If no PMOS bonus is listed in section(s) 3.m, 3.n, and 3.o, the Marine rates a lump sum bonus of 20,000 dollars. MCCs Authorized for Aircraft Maintenance Kicker: "043"

On 28 September 2018, you reenlisted for 4 years with an ECC of 27 September 2022 and EAS of 27 January 2023. On 16 November 2018, you transferred, and on 4 December 2018, you arrived to █ for duty.

You requested that you receive a \$20,000 Aircraft Maintenance Kicker; the Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, to include your assertions. However, the Board concluded that you are not eligible because at the time of application, you were not serving in an eligible MCC per MARADMINS 370/18, and your qualifications were not current. In this connection, the Board substantially concurred with the comments contained in the advisory opinion.

The Board determined that your personal appearance, with or without counsel, would not materially add to their understanding of the issues involved. Therefore, the Board determined that a personal appearance was not necessary and considered your case based on the evidence of record.

You are entitled to have the Board reconsider its decision upon submission of new matters, which will require you to complete and submit a new DD Form 149. New matters are those not previously presented to or considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

11/20/2021
