701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

■
Docket No. 1377-21
Ref: Signature Date

Dear ■■■■■■■■■■:

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code. After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted was insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

A three-member panel of the Board, sitting in executive session, considered your application on 2 November 2021. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion contained in Headquarters, U.S. Marine Corps (HQMC) memorandum 1400/3 MMPR-2 of 15 April 2021; a copy of which was previously provided to you for comment.

On 25 September 2006, you entered active duty. On 23 December 2014, you reenlisted for 4 years with an End of Current Contract (ECC) of 22 December 2018. On 27 May 2016, you signed an agreement to extend enlistment for 18 months with an End of Active Service (EAS) of 22 June 2020 in order to obligate service for assignment to Basic Recruiters course.

In accordance with MARADMIN 380/19 (5 July 2019), this bulletin announces the SRB program and the BSSRB program authorized for FY20. With the advent of several new SRB programs, Marines are encouraged to thoroughly review the contents of this bulletin. First term Marines (Zone A) and career Marines (Zone B, C, D and E) who reenlist on or after 5 July 2019 are eligible for the FY20 SRB program. This will include any regular component first term or career Marine with an End of Current Contract (ECC) from 1 October 2019 to 30 September 2020.

All Corporals through Gunnery Sergeants holding current qualifications and Necessary MOSs (NMOS) of 6012-Safe For Flight (SFF) Controller, 6016-Collateral Duty Inspector (CDI), 6017-Collateral Duty Quality Assurance Representative (CDQAR), or 6018-Quality Assurance Representative (QAR), in the below MCCs who reenlist for 48 months, and agree

to remain in a specified MCC for the first 24 months (following the end of their current contract), will rate a 20,000 dollar kicker in addition to the PMOS bonus amount listed in section(s) 3.m, 3.n, and 3.o. If no PMOS bonus is listed in section(s) 3.m, 3.n, and 3.o, the Marine rates a lump sum bonus of 20,000 dollars. MCCs Authorized for Aircraft Maintenance Kicker: "...036..."

On 15 July 2019, your Careerist Active Duty Reenlistment was submitted, and was approved by HQMC on 4 December 2019. On 11 December 2019, you reenlisted for 4 years with an ECC of 10 December 2023. On 19 December 2019, you were issued Marine Corps Basic Order for voluntary assignment to █. Report no later than 26 August 2020. On 3 August 2020, you transferred from █. On 27 August 2020, you arrived to █. On 1 July 2021, you got promoted to Gunnery Sergeant.

You requested a \$20,000 Aircraft Maintenance Kicker; the Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, to include your assertions. However, the Board concluded that you are not eligible for the Aircraft Maintenance Kicker because at the time of application, you were not serving in an eligible MCC per MARADMIN 380/19, and your qualifications were not current. In this connection, the Board substantially concurred with the comments contained in the advisory opinion.

The Board determined that your personal appearance, with or without counsel, would not materially add to their understanding of the issues involved. Therefore, the Board determined that a personal appearance was not necessary and considered your case based on the evidence of record.

You are entitled to have the Board reconsider its decision upon submission of new matters, which will require you to complete and submit a new DD Form 149. New matters are those not previously presented to or considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

11/27/2021
