Ref: (a) Title 10 U.S.C. § 1552
(b) DODI 1215.07

Encl: (1) DD Form 149 w/attachments
(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that her naval record be corrected to reflect satisfactory year of service for anniversary year 2014-2015.

2. The Board, consisting of [REDACTED], [REDACTED] and [REDACTED] reviewed Petitioner's allegations of error and injustice on 8 June 2021 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, she exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. In accordance with reference (b), time served in a Service academy is not creditable for pay purposes. Additionally, when a service member with a break in service returns to an active Reserve status or to active service, the revised anniversary year start date will be the date of return or reentry.

b. Petitioner was in the Navy Reserve Delayed Entry Program from 19 June 2002 through 16 July 2002.

c. Petitioner attended the Naval Academy Preparatory School from 17 July 2002 through 29 June 2004.

d. Petitioner attended the United States Naval Academy from 30 June 2004 through 22 May 2008.

e. On 23 May 2008, Petitioner was commissioned in the Marine Corps.

f. On 16 May 2013, Petitioner was released from active duty and transferred to the Marine Corps Reserve.

CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following corrective action. Petitioner's anniversary year was erroneously started on 19 June. When the Marine Corps corrected the anniversary date to 23 May, Petitioner's points were redistributed. The redistributed points resulted in Petitioner not having the minimum 50 points for a satisfactory year for anniversary year ending 22 May 2015. The Board felt, under these circumstances, relief is warranted.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Seven (7) Inactive Duty Correspondence Points were transferred from anniversary year ending 22 May 2017 to the anniversary year ending 22 May 2015.

Note: This change will result in a satisfactory year of service for anniversary year ending 22 May 2015.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
