(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that her naval record be corrected to establish eligibility to transfer Post-9/11 GI Bill education benefits to eligible dependents commensurate with her 2 November 2009 request.

2. The Board, consisting of [REDACTED], [REDACTED], and [REDACTED], reviewed Petitioner's allegations of error and injustice on 24 November 2021 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, she exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. The Post-9/11 Veterans Educational Assistance Act (Post-9/11 GI Bill, Public Law 110-252) was signed into law on 30 June 2008 and became effective on 1 August 2009. The bill provides financial support for education and housing for service members with at least 90 days of service on or after 11 September 2001. The act also includes provision for qualifying service members to transfer education benefits to their eligible dependents. General descriptions of the essential components of the law were widely available beginning in summer 2008 but specific implementing guidance was not published until summer 2009.

b. In accordance with references (b) and (c), the option to transfer a Service member's unused education benefits to an eligible dependent required a 4-year additional service obligation

at the time of election for those eligible to retire on or after 1 August 2012. Additionally, all officers were required to have a NAVPERS 1070/613, Administrative Remarks, prepared by their command in the Navy Standard Integrated Personnel System Electronic Service Record (ESR), agreeing to serve the required additional years of service prior to initiating their electronic transfer election via the MilConnect Transfer of Education Benefits (TEB) portal. Furthermore, the policy directed members to periodically check the status of their application. If the request was disapproved, members were required to take corrective action and reapply with a new service obligation end date.

c. Petitioner's Active Duty Service Date is 14 October 1999.

d. On 23 October 2009, Petitioner signed a NAVPERS 1070/613, Administrative Remarks, acknowledging the additional 4-year service obligation required to transfer Post-9/11 GI Bill education benefits; however, it was not uploaded to her ESR.

e. Petitioner submitted TEB application on 2 November 2009. The Service rejected the application the same day indicating, "Service Member has not committed to the required additional service time."

f. Petitioner submitted three additional TEB applications on 11 April 2018, 4 April 2019 and 12 April 2021. The applications were all rejected indicating, "Service Member has not committed to the required additional service time."

g. Petitioner requested her final TEB application on 17 May 2021. The Service approved the application on 18 May 2021 with an obligation end date of 16 May 2025.

CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following corrective action. Petitioner met the basic eligibility criteria to transfer Post-9/11 GI Bill benefits to her eligible dependents, but failed to complete the required administrative process outlined in references (b) and (c). Although Petitioner did not complete the proper administrative requirements, the Board determined her multiple TEB applications and continued active duty service from her initial 2 November 2009 TEB application submission met the spirit and intent of reference (d); therefore, under these circumstances, relief is warranted.
