BOARD FOR CORRECTION OF NAVAL RECORDS 701 S. COURTHOUSE ROAD, SUITE 1001 ARLINGTON, VA 22204-2490

> Docket No. 3699-21 Ref: Signature Date

Dear

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code (U.S.C.). After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

A three-member panel of the Board, sitting in executive session, considered your application on 1 December 2021. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations, and policies. In addition, the Board considered the advisory opinion contained in Headquarters Marine Corps memorandum 7220 of 30 June 2021.

You requested to establish eligibility to transfer Post-9/11 GI Bill education benefits to your eligible dependent. The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, to include your assertions. However, the Board concluded the ability to transfer Post-9/11 GI Bill education benefits to eligible dependents is a recruiting and retention tool that became effective 1 August 2009 in accordance with Title 38 U.S.C. § 3319. Pursuant to this law, Marine Administrative message 0421/09 was promulgated specifying active duty Marines that separated, retired, transferred to the Fleet Marine Corps Reserve (FMCR) or who were discharged prior to 1 August 2009 were not eligible to elect transferability. A review of your record indicates you transferred to the FMCR on 31 May 2008, and voluntarily retained on active duty until 31 May 2010, thereby ineligible to transfer Post-9/11 GI Bill education benefits. In this connection, the Board did not concur with the comments contained in the advisory opinion.

You are entitled to have the Board reconsider its decision upon submission of new matters, which will require you to complete and submit a new DD Form 149. New matters are those not previously presented to or considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.
