Ref: (a) Title 10 U.S.C. § 1552  
(b) DODFMR, Vol 7B, Chapter 43

Encl: (1) DD Form 149 w/attachments  
(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that her naval record be corrected to reflect declined participation in the Survivor Benefit Plan (SBP).

2. The Board, consisting of [REDACTED], [REDACTED], and [REDACTED] reviewed Petitioner's allegations of error and injustice on 21 December 2021 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, she exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. In accordance with reference (b), SBP elections must be made prior to retired pay becoming payable and the election to participate in or decline SBP is irrevocable. Additionally, if not all requirements for an election needing the spouse's concurrence have been satisfied prior to retirement, for whatever reason, full spouse costs, and coverage will be implemented, regardless of any request by the member to do otherwise.

b. Petitioner married [REDACTED] on 20 July 2010, and divorced on 22 August 2014. Former Spouse coverage under SBP was not directed.

c. Petitioner married [REDACTED] on 30 October 2016.

d. Petitioner transferred to the Temporary Disability Retired List (TDRL) effective 28 April 2020 and automatically enrolled in SBP Spouse coverage as Defense Finance and Accounting

Service (DFAS) did not receive a DD Form 2656, Data for Payment of Retired Personnel prior to effective date of retirement.

e. On 13 August 2020, Petitioner and spouse signed DD Form 2656-2, Survivor Benefit Plan (SBP) Termination Request; DFAS denied the request on 16 December 2020 because an original election was not received.

f. On 11 September 2021, Petitioner and spouse signed SBP Affidavit before a notary witness electing to decline SBP coverage.

## CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following corrective action. The Board concluded Petitioner provided sufficient evidence to reflect her and spouse's desire to decline SBP coverage prior to transferring to the TDRL. Although Petitioner did not complete the proper administrative requirements, the Board felt that under these circumstances, relief is warranted.

## RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner elected to decline participation in SBP with spouse concurrence prior to transferring to the TDRL effective 28 April 2020.

Note: DFAS will complete an audit of Petitioner's pay records to determine the amount of premium refund.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
