(b) MARADMIN 716/18 of 20 Dec 18

Encl: (1) DD Form 149 w/attachments  
(2) HQMC memo 1070 MPO of 3 Apr 20  
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that her naval record be corrected to establish entitlement to Continuation Pay (CP).

2. The Board, consisting of █ and █, reviewed Petitioner's allegations of error and injustice on 20 October 2021 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, she exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. In accordance with reference (b), Marines who enrolled in Blended Retirement System (BRS) and complete 12 years of service (YOS) may be eligible for a one-time CP payment in exchange for an agreement to service four (4) additional years of obligated service, to run concurrent with any existing service obligation. For the purpose of CP eligibility, 12 YOS is defined as 12 years and zero days of service as calculated from the Marine's Pay Entry Base Date (PEBD).

b. Petitioner's PEBD is 7 March 2007.

c. Petitioner enrolled into the BRS on 18 December 2018.

d. Petitioner's last day eligible to elect CP was 6 March 2019.

e. Petitioner reenlisted on 31 October 2020 for a term of 4-years.

f. Petitioner signed NAVMC 11908, Reserve Component Blended Retirement System (BRS) Continuation Pay Statement of Understanding (SOU) on 16 August 2021 and elected lump sum payment.

g. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action. Petitioner's case indicates the existence of an injustice in her record that warrants the requested relief because she did not receive the required notice of eligibility for CP prior to his 12-year anniversary date.

#### CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. Petitioner enrolled in BRS in 2018; however, she failed to make the election for CP in accordance with reference (b) prior to passing the service deadline of 12 years. Petitioner may have been unaware of the deadline (i.e., 12 year anniversary date) to accept CP in order to receive payment of CP because of the programming error in the Marine Corps Total Force System. The Board found that had Petitioner received timely notification to elect CP, she would have followed proper procedures prior to going over 12 years of service.

#### RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner, in coordination with her command completed the required Statement of Understanding prior to reaching 12 years of service and submitted it to Commandant of the Marine Corps (CMC) for inclusion in the Petitioner's Official Military Personnel File.

CMC validated Petitioner's CP eligibility and released CP authorization to Defense Finance and Accounting Service (DFAS). Note: DFAS will complete an audit of Petitioner's pay records to determine retroactive pay entitlement.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
