1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to establish Petitioner's Household Goods (HHG) shipment reimbursed with modification of BUPERS Order 2580 (Official New Appointment Orders) issuance date,

2. The Board, consisting of [REDACTED], [REDACTED], and [REDACTED], reviewed Petitioner's allegations of error and injustice on 21 October 2021 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations and policies.

The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

Subj: REVIEW OF NAVAL RECORD OF [REDACTED], USN,  
[REDACTED]

## CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded per reference (b) HHG allowances are based on the PCS order's effective and certain criteria must be met in order to execute HHG transportation before an order is issued. The Petitioner failed to meet the requirements and began execution of HHG PPM prior to issuance of orders. To eliminate financial burden for the Petitioner relief is granted.

## RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

BUPERS Order 2580 (Official New Appointment Orders) issued 1 September 2020 vice 14 September 2020. Petitioner authorized to submit Personally Procured Move (PPM) HHG.

Petitioner will submit a copy of the Board's approval letter to the Navy Household Goods Audit Team with all appropriate HHG documentation and orders to settle his claim. Settlement of move charged against Petitioner's BUPERS Order 2580.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.
