(3) Subject's naval record

1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting his naval record be corrected to show Petitioner's 6 year reenlistment be cancelled and replaced with a 6 month extension.

2. The Board, consisting of [REDACTED], [REDACTED], and [REDACTED], reviewed Petitioner's allegations of error and injustice on 23 November 2021 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. On 29 May 2014, Petitioner enlisted for 8 years, 6 years of which will be in an active drilling status as a Selected Reservist. Petitioner's Expiration of Reserve Enlistment (EREN) was 28 May 2022.

c. On 29 January 2021, Petitioner was issued BUPERS Mobilization order 029, involuntarily ordered to report for active duty for a period of up to 365 days, plus out-processing and accrued leave, unless released sooner by the order issuing authority, departing from [REDACTED] with an effective date of departure of 9 July 2021. Petitioner's ultimate activity was [REDACTED] for active duty with an effective date of arrival of 4 August 2021. Ensure that NAVPERS 1070/621 is executed if necessary to ensure that EREN is not exceeded.

d. On 20 April 2021, Petitioner signed a Drilling Reservist Worksheet (Reenlistment/Extension) requesting a 6 month extension to meet mobilization requirements, and was approved by cognizant authority on 27 April 2021.

e. On 17 June 2021, Petitioner's Member Data Summary listed a 6 year contract effective 10 June 2021.

f. On 15 August 2021, Command Career Counselor, Navy Operational Support Center, [REDACTED] notified BCNR that Petitioner requested a 6-month extension to meet mobilization requirements. The

request was erroneously processed and released as a 6-year reenlistment. Respectfully request the reenlistment be cancelled out of the system and his EREN reinstated to 28 May 2022.

g. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

#### CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded that Petitioner had mobilization orders that required him to extend. Petitioner's 6-month extension was erroneously entered as a 6-year reenlistment resulting in an EREN of 9 June 2027.

#### RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner executed a 6-month agreement to extend enlistment operative 29 May 2022. Note: this will reestablish an EREN of 28 May 2022 and SEREN of 28 November 2022. Furthermore, remove all evidence of a 6-year immediate reenlistment contract.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)) and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.
