(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to establish entitlement to Continuation Pay (CP).

2. The Board, consisting of [REDACTED], [REDACTED], and [REDACTED], reviewed Petitioner's allegations of error and injustice on 27 October 2021 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. In accordance with reference (b), Service Members who enrolled in Blended Retirement System (BRS) are eligible to receive mid-career CP at 12 years of serve (YOS) in exchange for an agreement to service four additional years of obligated service, to run concurrent with any existing service obligation. For the purpose of CP eligibility, 12 YOS is computed from the member's Pay Entry Base Date (PEBD). Reference (c) specified that for service member's that provided Navy Standard Integrated Personnel System (NSIPS) with an up-to date email address, NSIPS would send email notifications of CP eligibility at 11 years 6 months YOS, 11 years 9 months YOS and final reminder at 11 years 11 months YOS.

b. Petitioner's PEBD is 15 January 2008.

c. Petitioner reenlisted on 12 August 2016 for a term of 6 years.

d. On 7 June 2019, Petitioner extended his 12 August 2016 reenlistment for a term of 4 months.

e. Petitioner elected to opt-into BRS on 9 August 2018.

f. Petitioner's last day eligible to elect CP was 14 January 2020.

Subj: REVIEW OF NAVAL RECORD ICO [REDACTED], USN, XXX-XX-[REDACTED]

g. On 13 September 2021, Petitioner acknowledged CP eligibility date as 15 January 2020, CP obligated service requirements outlined in reference (b), and elected lump-sum payment.

h. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. Petitioner met the eligibility criteria for CP; however, failed to make the election in accordance with reference (b) prior to passing the 12-year service deadline.

The Board found that had Petitioner received clear and timely guidance on making an election to receive CP, he would have followed proper procedures prior to going over 12 years of service. Although Petitioner did not complete the proper administrative requirements, the Board felt that under these circumstances, relief is warranted.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner in coordination with his command completed the required Continuation Pay NAVPERS 1070/613, Administrative Remarks prior to reaching 12 years of service and submitted it to Commander, Navy Personnel Command for inclusion in the Petitioner's Official Military Personnel File.

Commander, Navy Personnel Command (PERS-8) validated Petitioner's CP eligibility and released CP authorization to Defense Finance and Accounting Service (DFAS). Note: DFAS will complete an audit of Petitioner's pay records to determine retroactive pay entitlement.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
