Subj: REVIEW OF NAVAL RECORD OF █, USN, XXX-XX-█

Ref: (a) Title 10 U.S.C. § 1552
(b) Joint Travel Regulations

Encl: (1) DD Form 149 w/attachments
(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to establish Petitioner's authorization for modification of BUPERS Order 1231 (Official Change Duty Orders) in order to permit submission of household goods (HHG) shipment claim executed on 11 August 2020.

2. The Board, consisting of █, █, and █, reviewed Petitioner's allegations of error and injustice on 28 October 2021 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. On 11 August 2020 Petitioner initiated shipment of household goods prior to issuance of BUPERS Order 1231 (Official Change Duty Orders) effective as of 3 May 2021.

b. On 20 July 2021 Petitioner notified by Naval Supply Fleet Logistics Center █ letter 4600 302/N0H7HZ-31 since HHG shipment was made prior to the issuance of orders, their office has no legal basis to permit payment of his claim.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded per reference (b) HHG allowances are based on the PCS

order's effective and certain criteria must be met in order to execute HHG transportation before an order is issued. The Petitioner failed to meet the requirements and began execution of HHG PPM prior to issuance of orders. To eliminate financial burden for the Petitioner relief is granted.
