Ref: (a) 10 U.S.C. 1552
(b) 10 U.S.C. 654 (Repeal)
(c) UNSECDEF Memo OF 20 Sep 11 (Correction of Military Record following Repeal of
U.S.C. 654)

Encl: (1) DD Form 149 with attachments
(2) Case summary
(3) Subject's naval record (excerpts)

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, a former enlisted member of the Marine Corps, filed enclosure (1) with this Board requesting, in effect, that her characterization of service “Uncharacterized” be changed per reference (b). She also implied and requested that her narrative reason for separation “Pre-Service Homosexual Acts”, “RE-4” (not recommended for retention) reenlistment code, and Separation (SPC) code “JDA5” be changed per reference (b). Additionally, that the separation authority “MARCORSEPMAN 6204”, be changed. Enclosures (1) through (3) apply.

2. The Board consisting of ██████████, ██████████, and ██████████ reviewed Petitioner’s allegations of error and injustice on 3 November 2021 and, pursuant to its regulations, determined that the corrective action indicated below should be taken. Documentary material considered by the Board consisted of Petitioner’s application together with all material submitted in support thereof, relevant portions of Petitioner’s naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Although enclosure (1) was not filed in a timely manner, it is in the interest of justice to waive the statute of limitations and review the application on its merits.

c. Petitioner enlisted in the Marine Corps on 13 November 1989. On 2 January 1990, she received a Neuropsychiatric Evaluation and admitted to being homosexual and participating in pre-service homosexual acts. On 5 January 1990, she made a written statement admitting to pre-service homosexual acts. As a result, administrative separation action was initiated. After being afforded all of her rights, it was directed that she receive an uncharacterized characterization of service by reason of pre-service homosexual acts. On 10 January 1990, she was so discharged.

d. Petitioner requests upgrade to the characterization of her discharge to honorable, citing current policy.

e. Reference (c) sets forth the Department of the Navy's current policies, standards, and procedures for correction of military records following the "don't ask, don't tell" (DADT) repeal of 10 U.S.C. 654. It provides service Discharge Review Boards with the guidance to grant requests to change the characterization of service to "honorable", narrative reason for separation to "secretarial authority", SPD code to "JFF", and reenry code to "RE-1J", when the original discharge was based solely on DADT or a similar policy in place prior to enactment of it and there are no aggravating factors in the record, such as misconduct.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of reference (b) and (c), the Board concludes that Petitioner's request warrants partial relief. In this regard, the Board noted Petitioner's overall record of military service and current Department of the Navy policy as established in reference (b) and (c), that relief in the form of her narrative reason for separation be changed to read "Secretarial Authority", reenlistment code to "RE-1J", and SPD code to "JFF1". Additionally, change her separation authority to read "MARCORSPMAN 6214". The Board also concluded that Petitioner request for an honorable characterization of service is denied due to Petitioner serving a total of one month and 28 days on active duty, which makes her ineligible for an upgrade.

In view of the foregoing, the Board directs the following corrective action.

RECOMMENDATION:

That Petitioner's record be corrected to show that on 10 January 1990, her narrative reason for separation was "Secretarial Authority", reenlistment code was "RE-1J", SPD code was "JFF1", and her separation authority was "MARCORSPMAN 6214".

That Petitioner be issued a new Certificate of Release or Discharge from Active Duty (DD Form 214).

That no further changes be made to the record.

That a copy of this report of proceedings be filed in Petitioner's naval record.
