(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to receive reimbursement of a personally procured move (PPM).

2. The Board, consisting of [REDACTED], [REDACTED], and [REDACTED], reviewed Petitioner's allegations of error and injustice on 30 November 2021 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. ## CONCLUSION

Upon review and consideration of all the evidence of record, the Board agreed that the normal time frame for issuance of BUPERS orders are between 4 and 6 months before discharge. In accordance with reference (b), paragraph 051302, household goods (HHG) allowances are based on the orders effective date. The Board agreed that Petitioner was not afforded a reasonable amount of time to arrange a government arranged move when his separation orders were issued 15 days before being discharged. The Board finds the existence of an injustice warranting the following corrective action.

## RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner's BUPERS Separation order number 2800 were issued on "14 September 2020" vice "6 October 2020."

Petitioner is advised to resubmit his orders and a copy of this Board of Correction of Naval Records (BCNR) decision letter to the Household Good Audit Team (HHG-AT) for re-adjudication.

Settlement of claim is chargeable to the line of accounting on the Petitioner's BUPERS Separation order number 2800.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
