

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

Docket No. 6006-21  
Ref: Signature Date

Dear [REDACTED],

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code. After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

A three-member panel of the Board, sitting in executive session, considered your application on 21 December 2021. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations, and policies. In addition, the Board considered the advisory opinion contained in Office of the Chief of Naval Operations (N130C) memorandum 7431 Ser N130C2/21U1675 of 17 November 2021; a copy of which was previously provided to you for comment.

The Board determined that your personal appearance, with or without counsel, would not materially add to their understanding of the issues involved. Therefore, the Board determined that a personal appearance was not necessary and considered your case based on the evidence of record.

On 9 April 2013 you entered the Navy Reserve. On 5 April 2020 you entered active duty. On 28 April 2020 you were issued BUPERS Order 1190. On 30 April 2020 your lease in [REDACTED], [REDACTED] ended. On 15 October 2020 you were released from active duty and transferred to the Navy Reserve.

You requested to receive basic allowance for housing (BAH) for [REDACTED] from April to October 2020. The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, to include your assertions. The Board concluded that it is the sailor's responsibility to update their address within NSIPS in accordance with MILPERSMAN 1000-140. The Board agreed that your address in [REDACTED] listed on your BUPERS Order is

where you entered active duty. You asserted that you entered active duty from [REDACTED] and that your lease in [REDACTED] ended on 30 April 2020. The Board agreed that your lease ended on 30 April 2020 after you entered active duty. The Board found no evidence that supports your assertion of living in or entering active duty from [REDACTED]. The Board found no error or injustice to warrant a change to your record. In this connection, the Board substantially concurred with the comments contained in the advisory opinion.

You are entitled to have the Board reconsider its decision upon submission of new matters, which will require you to complete and submit a new DD Form 149. New matters are those not previously presented to or considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

1/14/2022
