To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD OF FORMER MEMBER █, USN,  
XXX-XX-█

Ref: (a) 10 U.S.C. 1552  
(b) BUPERSINST 1900.8 dtd 28 Jun 1993

Encl: (1) DD Form 149  
(2) Case summary  
(3) Naval record (excerpts)

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting adjustment to upgrade the character of his service to honorable. Enclosures (1) through (3) apply.

2. The Board, consisting of █, █, █ reviewed Petitioner's allegations of error and injustice on 22 October 2021, and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of his naval service records, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Although enclosure (1) was not filed in a timely manner, it is in the interest of justice to review the application on its merits.

c. The Petitioner enlisted in the Navy and began a period of active duty on 5 June 91.

d. On 2 March 1995, Petitioner reenlisted for a period of six years.

e. On 30 July 1996, Petitioner received non-judicial punishment (NJP) for wrongful use/possession of a controlled substance.

f. On 20 November 1996, Petitioner began a period of unauthorized absence (UA).

g. On 26 November 1996, Petitioner was discharged in absentia. Petitioner was issued an other than honorable (OTH) character of service by reason of misconduct.

h. Petitioner's Certificate of Release or Discharge from Active Duty (DD Form 214) does not include his period of honorable service from 5 June 1991 to 2 March 1995. Per Reference (b), Box 18 should indicate Petitioner's periods of honorable service.

i. Petitioner contends he had 5 years of good service, but discharge was based on a one time offense involving the possession of a controlled substance. Petitioner contends his discharge was too harsh, and he did not understand the grounds of the other than honorable (OTH) character of service. Petitioner provides correspondence from the Department of Veteran's Affairs reflecting his service is considered honorable for VA purposes.

#### CONCLUSION:

Upon review and consideration of all the evidence of record, and in light of reference (b), the Board determined Petitioner's record warrants partial relief.

In regard to Petitioner's request for upgrade to his character of service, the Board in its review of Petitioner's entire record and application with attachments, determined Petitioner failed to provide sufficient evidence to support his contention. The Board relies on a presumption of regularity to support the official actions of public officers and, in the absence of substantial evidence to the contrary, will presume that they have properly discharged their official duties. The Board found no error on injustice in the Petitioner's record, and determined he was issued the appropriate characterization of service based on the severity of his drug related misconduct. Therefore, adjustment to the character of Petitioner's service is not warranted.

Notwithstanding, the Board noted Petitioner's Certificate of Release or Discharge from Active Duty (DD Form 214) contains an administrative error and warrants correction. Petitioner's DD Form 214 does not indicate his period of honorable service from 5 Jun 1991 to 2 March 1995.

#### RECOMMENDATION:

In view of the above, the Board directs the following corrective action: Petitioner be issued a Correction to Certificate of Release or Discharge from Active Duty (DD Form 215), per reference (b) to add indication of Petitioner's continuous honorable service from 5 Jun 1991 to 2 March 1995.

That a copy of this report of proceedings be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
