Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following

corrective action. The Board concluded that due to no fault of Petitioner, if the Command had released the contract in a timely manner he would have received the zone "A" SRB.

#### RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner's command released the reenlistment contract in Navy Standard Integrated Personnel System (NSIPS) as required in a timely manner.

Note: This change will entitle the member to a zone "A" SRB with an award level of 1.0 (\$30,000 award ceiling) for the AT rate. Remaining obligated service to 30 August 2021 will be deducted from SRB computation.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
