Dear ■

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code. After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

A three-member panel of the Board, sitting in executive session, considered your application on 25 January 2022. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations, and policies. In addition, the Board considered the advisory opinion contained in Commander, Naval Supply Systems Command (NAVSUP) letter 5420 Ser SUP 04/036 of 20 December 2021 which a copy was previously provided to you for comment.

You requested remission of debt resulting from your August 2018 Household Goods (HHG) move. The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, to include your assertions. However, the Board concluded that the transportation service provider submitted proper weight tickets and inventory sheets which support the weight billed to the government. A reweigh was conducted and you were billed at the lower weight. Furthermore, the weight of your 2018 HHG move is consistent with your two previous moves. The Board concluded that you are financially responsible for the excess charges of \$2,312.75 for your 2018 HHG move. The Board recommends that you complete a DD Form 2789, (Remission of Indebtedness Application), and submit it to the Chief of Naval Personnel (N130C) via [NXAG\\_N130C@navy.mil](mailto:NXAG_N130C@navy.mil), if this debt creates a financial hardship for you. In this connection, the Board substantially concurred with the comments contained in the advisory opinion.

You are entitled to have the Board reconsider its decision upon submission of new matters, which will require you to complete and submit a new DD Form 149. New matters are those not

previously presented to or considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

2/19/2022

Deputy Director
