Subj: REVIEW OF NAVAL RECORD OF ██████████, ██████████, XXX-XX-██████████ USMC]

Ref: (a) 10 U.S.C. §1552
(b) OSD/DOD Name Change Provisions/Guidance

Encl: (1) DD Form 149 with attachments
(2) Case Summary

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to reflect a name change.

2. The Board consisting of ██████████, ██████████, and ██████████ reviewed Petitioner's allegations of error and injustice on 15 December 2021 and, pursuant to its regulations, determined that the corrective action indicated below should be taken. Documentary material considered by the Board consisted of Petitioner's application together with all material submitted in support thereof, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Petitioner enlisted in the Marine Corps and began a period of active duty on 28 October 2013. Petitioner was discharged on 28 January 2018. Petitioner was subsequently issued a Certificate of Release or Discharge from Active Duty (DD Form 214) based on the name used while serving in the Marine Corps, specifically, "██████████."

c. At the time of Petitioner's entry into the Marine Corps, his legal name was "██████████." After discharge from the Marine Corps, Petitioner, who is transgender, had his name legally changed to "██████████," to align with his gender identity.

d. Based on the guidance reflected in reference (b), from the Office of the Secretary of Defense (OSD) and Department of Defense (DOD), former military personnel who have legally

changed their name and sex, or are the subject of gender reassignment, may have their DD Form 214 changed to accurately reflect their present name and sex/gender. In this regard, the change may allow them to obtain various benefits, services, employment, etc., without being subject to otherwise invasive questions. However, the provisions/guidance only apply to the service-member's DD Form 214, and as such, no further changes will be made to the record.

e. Petitioner provides the following forms of evidence with his current legal name "[REDACTED]" to support his request for correction: court ordered name change decree, and driver's license.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concludes Petitioner's request warrants favorable action.

The Board noted Petitioner has provided legal evidence supporting his request. The Board found the legal actions taken by civilian authorities to change Petitioner's name to align with his gender identity, along with the provisions/guidance of reference (b), support a change to Petitioner's DD Form 214.

In this regard, the Board noted that normally a DD Form 215 would be issued to correct the record, however, the Board concluded a new and updated DD Form 214 is warranted to eliminate the possibility of invasive questions. The Board further concluded that no other changes should be made to Petitioner's record, and that both the previously issued DD Form 214 bearing the name "[REDACTED]" and the new DD Form 214 bearing the name "[REDACTED]" should remain in the record for historical purposes. In accordance with the foregoing, the Board concluded the DD Form 214 should be corrected to reflect Petitioner's legal name and that Petitioner be issued an updated DD Form 214.

RECOMMENDATION:

In view of the above, the Board directs the following corrective action.

Petitioner be issued a new DD Form 214 indicating the name "[REDACTED]."

Petitioner be issued an honorable discharge certificate indicating the name "[REDACTED]."

That no further changes be made to the record.

That a copy of this report of proceedings be filed in Petitioner's naval record, along with the previously issued DD Form 214 which reflects the name "[REDACTED]" and the updated DD Form 214 which reflects the name "[REDACTED]."

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
