Ref: (a) 10 U.S.C. §1552  
(b) OSD/DOD Name Change Provisions/Guidance

Encl: (1) DD Form 149 with attachments  
(2) Case Summary

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that her Certificate of Release or Discharge from Active Duty (DD Form 214) reflect her current legal name.

2. The Board consisting of ██████████ and ██████████ reviewed Petitioner's allegations of error and injustice on 9 February 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken. Documentary material considered by the Board consisted of Petitioner's application together with all material submitted in support thereof, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies, to include the 25 July 2018 guidance from the Under Secretary of Defense for Personnel and Readiness regarding equity, injustice or clemency determinations (Wilkie Memo).

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Petitioner enlisted in the Navy on 2 October 2001. Upon the completion of her required active service, Petitioner was discharged on 28 February 2005 with an honorable character of service, Petitioner was issued a Certificate of Release or Discharge from Active Duty (DD Form 214) based on the name used while serving in the Navy, specifically, ██████████."

c. At the time of Petitioner's entry into the Navy, Petitioner's legal name was ██████████." On 10 December 2020, Petitioner legally married and took the last name of her spouse. As a result, Petitioner changed her name to ██████████ Petitioner, who is transgender, had her

name legally changed from [REDACTED] to [REDACTED] to align with her gender identity.

d. Based on the guidance reflected in reference (b), from the Office of the Secretary of Defense (OSD) and Department of Defense (DOD), former military personnel who have legally changed their name and sex, or are the subject of gender reassignment, may have their DD Form 214 changed to accurately reflect their present name and sex/gender. In this regard, the change may allow them to obtain various benefits, services, employment, etc., without being subject to otherwise invasive questions. However, the provisions/guidance only apply to the service-member's DD Form 214, and as such, no further changes will be made to the record.

e. Petitioner provides the following forms of evidence with her current legal name [REDACTED] [REDACTED] to support her request for correction: court ordered name change decree, and marriage certificate.

#### CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concludes Petitioner's request warrants favorable action. The Board noted Petitioner has provided legal evidence supporting her request. The Board found the legal actions taken by civilian authorities to change Petitioner's name to align with her gender identity, along with the provisions/guidance of reference (b), support a change to Petitioner's DD Form 214.

In this regard, the Board noted that normally a DD Form 215 would be issued to correct the record; however, the Board concluded a new and updated DD Form 214 is warranted to eliminate the possibility of invasive questions. The Board further concluded that no other changes should be made to Petitioner's record, and that both the previously issued DD Form 214 bearing the name [REDACTED] and the new DD Form 214 bearing the name [REDACTED] should remain in the record for historical purposes. In accordance with the foregoing, the Board concluded the DD Form 214 should be corrected to reflect Petitioner's legal name and that Petitioner be issued an updated DD Form 214.

#### RECOMMENDATION:

In view of the above, the Board directs the following corrective action.

Petitioner's naval record, specifically, Block 1 of the DD Form 214, be corrected to reflect the name [REDACTED] instead of [REDACTED]

Petitioner be issued a new DD Form 214 and a new discharge certificate which reflects the name [REDACTED]

That no further changes be made to the record.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulation, Section 723.6(e)) and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.
