j. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

## CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded that Petitioner was approved to reenlist for SRB for 6 years on 26 October 2021. However, the Personnel Support Detachment was unable to create the reenlistment contract prior to the scheduled reenlistment date. This delay allowed for an inoperative 24-month extension of enlistment to go operative resulting in him being ineligible to reenlist for SRB.

## RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner was discharged on 25 October 2021 and reenlisted on 26 October 2021 for a term of 6 years.

Note: This change will entitle the member to a zone "B" SRB with an award level of 2.0 (\$45,000 award ceiling) for the IT/H09A rate/NEC.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.
