Dear ██████████,

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code. After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

A three-member panel of the Board, sitting in executive session, considered your application on 26 May 2022. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations, and policies. In addition, the Board considered the advisory opinion by Commander, Navy Reserve Forces Command of 14 March 2022 which was previously provided to you for comment.

The Board determined that your personal appearance, with or without counsel, would not materially add to their understanding of the issues involved. Therefore, the Board determined that a personal appearance was not necessary and considered your case based on the evidence of record.

You requested correction of your termination status to receive education benefits and reinstatement of Veterans Affairs (VA) loan. Additionally you requested advancement to Legalman Third Class (LN3)/E-4 and receipt of a sign up bonus. The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, to include your assertions. However, the Board concluded that your record does not warrant the corrections requested. A review of your record indicates that you enlisted in the Navy Reserve on 29 September 1999 for a term of 8 years under the Advance Pay Grade program as an Airman Apprentice (AA)/E-2 and advanced to Airman/E-3 on 12 July 2000. On 31 July 2001, you converted to Seaman and thereafter you were designated as a Yeoman Seaman (YNSN)/E-3 on 1 January 2002. On 2 June 2001, your Montgomery GI Bill-Selected Reserve (MGIB-SR) eligibility was terminated for unsatisfactory participation and subsequently you were discharged
