Dear ██████████:

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code. After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

A three-member panel of the Board, sitting in executive session, considered your application on 3 March 2022. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations, and policies. In addition, the Board considered the advisory opinion by BUPERS-328, which was previously provided to you for comment.

On 9 January 2017 you entered active duty for 4 years with an End of Active Obligated Service (EAOS) of 8 January 2021 and Soft End of Active Obligated Service of 8 January 2022. On 18 October 2017 you were issued official separation orders, BUPERS order: 2917, while stationed in ██████████ with an effective date of departure of November 2017. Your ultimate activity was ██████████ for duty with an effective date of arrival of 18 December 2017. On 5 January 2018 you transferred from ██████████ and arrived to ██████████ for duty. On 1 July 2018 you were advanced to FT3/E-4.

In accordance with current Career School Listing (CSL) published on 18 October 2018, a Rating/NEC FT/T49A (T49A - AN/BYG-1 Maintainer) wasn't listed.

In accordance with NAVADMIN 305/18 published on 17 December 2018, This NAVADMIN corrected policy for Combat Zone Tax Exclusion and Early Promote Sailors and announced revised selective reenlistment bonus (SRB) award levels and reenlistment policy for active component (AC) and full-time support (FTS) and superseded NAVADMIN 302/18.

Commands were required to submit SRB reenlistment requests to BUPERS-328 via Officer Personnel Information System (OPINS) or Navy Standard Integrated Personnel System (NSIPS) 35 to 120 days in advance of the requested reenlistment date of the Sailor. Requests submitted less than 35 days prior to the requested reenlistment date were rejected. However, commands could have contacted BUPERS-328 for waiver eligibility and procedures. Sailors must have had an approved SRB request before reenlisting.
