CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of reference (b) and enclosure (2), the Board finds the existence of an injustice warranting the following partial corrective action. effective 12 December 2020. Petitioner should have begun to receive the basic pay and BAH for E-5 effective 19 December 2020. The Board determined that DFAS should conduct an audit to determine Petitioner's basic pay and entitlements for the period of 19 December 2020 to 29 September 2021 because 30 September 2021 was his commission date.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner was issued a NAVPERS 1070/613 listing that he was authorized advancement to paygrade E-5 (OCP02) effective 19 December 2020 vice 12 December 2020 having graduated from [REDACTED] as a member the CEC collegiate program.

Note: Defense Finance & Accounting Service (DFAS) will complete an audit of Petitioner's records to determine if Petitioner is due any back pay and allowances for the period of 19 December 2020 to 29 September 2021.

That part of the Petitioner's request for corrective action that exceeds the foregoing be denied.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.
5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
