Dear ██████████,

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code. After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

A three-member panel of the Board, sitting in executive session, considered your application on 7 April 2022. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations, and policies. In addition, the Board considered the advisory opinion contained in Navy Personnel Command memorandum 1780 PERS-311 of 16 February 2022, which was previously provided to you for comment.

The Board determined that your personal appearance, with or without counsel, would not materially add to their understanding of the issues involved. Therefore, the Board determined that a personal appearance was not necessary and considered your case based on the evidence of record.

You requested relief for your daughter's Post-9/11 GI Bill education benefit debt. The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, to include your assertions. However, the Board concluded that pursuant Title 38 U.S.C. Chapter 33 the ability to transfer Post-9/11 GI Bill education benefits to eligible dependents is a recruiting and retention tool. Navy guidance implementing the transfer of Post 9/11 GI Bill education benefits published by Navy Administration (NAVADMIN) message 187/09, released on 26 June 2009, and NAVADMIN 203/09, released on 11 July 2009. Subsequently Bureau of Naval Personnel Notice (BUPERSNOTE) 1780 promulgated on 7 April 2010 with various updates prior to your transfer to the Fleet Reserve effective 1 August 2019. The aforementioned policies, outlined eligibility, processing, service obligation, and reference information germane
