- From: Chairman, Board for Correction of Naval Records
- To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD ICO XXX-XX , USN RET,

- Ref: (a) Title 10 U.S.C. § 1552 (b) NAVADMIN 203/09
- Encl: (1) DD Form 149 w/attachments (2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to establish eligibility to transfer Post-9/11 GI Bill<sup>1</sup> education benefits to eligible dependents.

2. The Board, consisting of **Construction**, **Construction** and **Construction** reviewed Petitioner's allegations of error and injustice on 23 February 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. In accordance with reference (b), the option to transfer a Service member's unused education benefits to an eligible dependent required a 2-year additional service obligation at the time of election for those eligible to retire on or after 1 August 2010 and before 1 August 2011.

b. Petitioner's Active Duty Service Date was 14 June 1991.

<sup>&</sup>lt;sup>1</sup> The Post-9/11 Veterans Educational Assistance Act (Post-9/11 GI Bill, Public Law 110-252) was signed into law on 30 June 2008 and became effective on 1 August 2009. The bill provides financial support for education and housing for service members with at least 90 days of service on or after 11 September 2001. The act also includes provision for qualifying service members to transfer education benefits to their eligible dependents. General descriptions of the essential components of the law were widely available beginning in summer 2008 but specific implementing guidance was not published until summer 2009.

Subj: REVIEW OF NAVAL RECORD ICO XXX-XX-

c. Petitioner submitted Transfer of Education Benefits (TEB) application on 21 September 2009. The Service approved the application on 14 August 2010 with an obligation end date of 20 September 2011.

d. Petitioner transferred to the Retired List effective 1 September 2011.

## CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following corrective action. Petitioner met the basic eligibility criteria to transfer Post-9/11 GI Bill education benefits but failed to complete obligated service by 3 weeks. Although Petitioner did not complete the proper administrative requirements, the Board determined, he fulfilled the intent of the program by retiring in the same month as his TEB obligation end date. Therefore, the Board felt, under these circumstances, relief is warranted.

## RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner elected to transfer unused education benefits to 2000 /12-months, 2000 /12-months, and 2000 /12-months through the MilConnect TEB portal on 1 August 2009.

Commander, Navy Personnel Command (PERS-314) reviewed Petitioner's TEB application and it was approved on 1 August 2009 with a 2-year service obligation.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
