

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

██████████
Docket No: 1445-22
Ref: Signature Date

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD OF FORMER MEMBER ██████████
USN, XXX-XX-██████████ [PRESENTLY ██████████]

Ref: (a) 10 U.S.C. §1552
(b) OSD/DOD Name Change Provisions/Guidance

Encl: (1) DD Form 149 with attachments
(2) Case Summary

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that her Certificate of Release or Discharge from Active Duty (DD Form 214) reflect her current legal name.

2. The Board consisting of ██████████ and ██████████ reviewed Petitioner's allegations of error and injustice on 18 March 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken. Documentary material considered by the Board consisted of Petitioner's application together with all material submitted in support thereof, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies, to include the 25 July 2018 guidance from the Under Secretary of Defense for Personnel and Readiness regarding equity, injustice or clemency determinations (Wilkie Memo).

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. Although Petitioner's application was not filed in a timely manner, the Board found it in the interest of justice to waive the statute of limitations and consider his/her case on its merits.

b. Petitioner enlisted in the Navy on 14 December 1972. Upon the completion of her required active service, Petitioner was discharged on 10 December 1976, under honorable conditions and transferred to the naval reserves, Petitioner was issued a Report of separation from Active Duty (DD Form 214) based on the name used while serving in the Navy, specifically, ██████████

Subj: REVIEW OF NAVAL RECORD OF FORMER MEMBER [REDACTED]
USN, XXX-XX-[REDACTED] [PRESENTLY [REDACTED]]

c. At the time of Petitioner's entry into the Navy, Petitioner's legal name was [REDACTED]
[REDACTED] On 3 February 2010, Petitioner legally changed her name from [REDACTED]
[REDACTED] to [REDACTED] On 25 January 2011, Petitioner, who is transgender, had
her name legally changed to align with her gender identity. Petitioner legally changed her name
from [REDACTED] to [REDACTED]

d. Based on the guidance reflected in reference (b), from the Office of the Secretary of
Defense (OSD) and Department of Defense (DOD), former military personnel who have legally
changed their name and sex, or are the subject of gender reassignment, may have their DD Form
214 changed to accurately reflect their present name and sex/gender. In this regard, the change
may allow them to obtain various benefits, services, employment, etc., without being subject to
otherwise invasive questions. However, the provisions/guidance only apply to the service-
member's DD Form 214, and as such, no further changes will be made to the record.

e. Petitioner provided the following forms of evidence with her current legal name [REDACTED]
[REDACTED] to support her request for correction: Court ordered name change decree, social
security card, driver's license, and U.S. Passport.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concludes Petitioner's
request warrants favorable action. The Board noted Petitioner has provided legal evidence
supporting her request. The Board found the legal actions taken by civilian authorities to change
Petitioner's name to align with her gender identity, along with the provisions/guidance of
reference (b), support a change to Petitioner's DD Form 214.

In this regard, the Board noted that normally a DD Form 215 would be issued to correct the
record, however, the Board concluded a new and updated DD Form 214 is warranted to
eliminate the possibility of invasive questions. The Board further concluded that no other
changes should be made to Petitioner's record, and that both the previously issued DD Form 214
bearing the name [REDACTED] and the new DD Form 214 bearing the name
[REDACTED] should remain in the record for historical purposes. In accordance with
the foregoing, the Board concluded the DD Form 214 should be corrected to reflect Petitioner's
legal name and that Petitioner be issued an updated DD Form 214.

RECOMMENDATION:

In view of the above, the Board directs the following corrective action.

Petitioner's naval record, specifically, Block 1 of the DD Form 214, be corrected to reflect the
name [REDACTED] instead of [REDACTED]

Petitioner be issued a new DD Form 214 and a new discharge certificate which reflects the name
[REDACTED]

That no further changes be made to the record.

Subj: REVIEW OF NAVAL RECORD OF FORMER MEMBER [REDACTED]
USN, [REDACTED] [PRESENTLY [REDACTED]]

That a copy of this report of proceedings be filed in Petitioner's naval record, along with the previously issued DD Form 214 which reflects the name [REDACTED] and the updated DD Form 214 which reflects the name [REDACTED]

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulation, Section 723.6(e)) and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.
