(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to correct his Home of Record (HOR).

2. The Board, consisting of [REDACTED], reviewed Petitioner's allegations of error and injustice on 18 August 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. On 16 January 2020, Petitioner enlisted in the Navy Reserve, for a term of 8 years of which 4 years is considered an active duty obligation. The DD Form 4, Enlistment/Reenlistment document reflects Petitioner's HOR as [REDACTED]. However, Petitioner's DD Form 1966, Record of Military Processing reflects HOR as [REDACTED].

b. On 28 July 2020, Petitioner entered active duty.

c. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that foreign countries are not an authorized domicile within the Navy Standard Integrated Personnel System.

CONCLUSION

The Board concluded Petitioner's record reflects he enlisted in the Navy while overseas and Petitioner provided sufficient evidence to corroborate his HOR in the [REDACTED] prior to

accession. The Board noted that the Navy Standard Integrated Personnel System may not support foreign countries, however, Petitioner's official record (i.e., DD Form 1966) should reflect his HOR regardless of system limitations. Therefore, the Board felt under these circumstances, relief is warranted.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner DD Form 1966, Record of Military Processing dated 28 July 2020 is modified to reflect Block 4 (Home of Record Address) [REDACTED] [REDACTED] " vice [REDACTED]."

Note: Additional changes to Petitioner's official military personnel file may be required based on this change.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.
5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
