(b) BUPERSNOTE 1780

(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that her naval record be corrected to establish eligibility to transfer Post-9/11 GI Bill education benefits¹ to eligible dependents effective 12 July 2018.

2. The Board, consisting of [REDACTED], [REDACTED], and [REDACTED] reviewed Petitioner's allegations of error and injustice on 23 March 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, she exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. On 12 July 2018, Petitioner signed "Post-9-11 GI Bill Transfer of Education Benefits Statement of Understanding" (SOU)² NAVPERS 1070/613, Administrative Remarks and it was entered into her Electronic Service Record (ESR), however, she did not submit a TEB application at this time.

b. On 27 January 2022, Petitioner completed the TEB SOU and submitted TEB application. The Service approved the application on 28 January 2022 with an obligation end date to 26 January 2026.

¹ The Post-9/11 Veterans Educational Assistance Act (Post-9/11 GI Bill, Public Law 110-252) was signed into law on 30 June 2008 and became effective on 1 August 2009. The bill provides financial support for education and housing for service members with at least 90 days of service on or after 11 September 2001. The act also includes provision for qualifying service members to transfer education benefits to their eligible dependents. General descriptions of the essential components of the law were widely available beginning in summer 2008 but specific implementing guidance was not published until summer 2009.

² Reference (c), updated the Transfer of Education Benefits (TEB) process by establishing an online, self-service SOU that replaced the NAVPERS 1070/613, Administrative Remarks effective 1 October 2018.

CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following corrective action. Petitioner met the basic eligibility criteria to transfer Post-9/11 GI Bill education benefits but failed to complete the administrative requirements outlined in reference (b)³. Although Petitioner did not complete the proper administrative requirements, the Board determined by signing of the NAVPERS 1070/613, Administrative Remarks on 18 July 2018, and continued active duty service thereafter meets the spirit and intent of reference (d); therefore, under these circumstances, relief is warranted.

RECOMMENDATION

Petitioner elected to transfer unused education benefits to [REDACTED]/35-months and [REDACTED]

³ In accordance with reference (b), the option to transfer a Service member's unused education benefits to an eligible dependent required a 4-year additional service obligation at the time of election. Additionally, all officers were required to have a NAVPERS 1070/613, Administrative Remarks, prepared by their command in the Navy Standard Integrated Personnel System ESR, agreeing to serve the required additional years of service prior to initiating their electronic transfer election via the MilConnect TEB portal.
