(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to show Petitioner was reimbursed for a Personally Procured Move (PPM).

2. The Board, consisting of [REDACTED], [REDACTED], and [REDACTED] reviewed Petitioner's allegations of error and injustice on 1 June 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. On 10 February 2015, Petitioner entered active duty for 4 years with an End of Active Obligated Service (EAOS) of 9 February 2019, and Soft End of Active Obligated Service (SEAOS) of 9 February 2021.

d. On 29 March 2021, Petitioner acknowledged Administrative Remarks (NAVPERS 1070/613) that due to his election to separate, he was no longer eligible to remain on active duty and he will be required to separate at his current SEAOS of 9 September 2021.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded per reference (b)¹, HHG allowances are based on when orders are effective and certain criteria must be met in order to execute HHG transportation before an order is issued. Petitioner was authorized to ship HHG in conjunction with his separation orders. Petitioner signed his NAVPERS 1070/613 on 29 March 2021, acknowledging he was required to separate on 9 September 2021; therefore, he had reason to believe that orders would be forthcoming.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

¹ Reference (b), household goods (HHG) allowances are based on the permanent change of station (PCS) order's effective date; although, the HHG may be transported as long as the HHG authority remains in effect. The weight allowance is based on the grade held on the effective date of the order authorizing the HHG transportation. HHG transportation before a PCS order is issued is authorized if the request for transportation is supported by all of the following: a. A statement from the authorizing/Order-Issuing Official (AO) or designated representative that the Service member was advised before such an order was issued that it would be issued. b. A written agreement, signed by the applicant, to pay any additional costs incurred for transportation to another point required because the new permanent duty station (PDS) named in the order is different than that named in the AO's statement. c. A written agreement, signed by the applicant, to pay the entire transportation cost if a PCS order is not later issued to authorize the transportation.
