Dear ██████████:

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code. After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

A three-member panel of the Board, sitting in executive session, considered your application on 5 May 2022. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations, and policies. In addition, the Board considered the advisory opinion by Community Management Support Branch memorandum 1160 Ser B328/034 of 28 March 2022 and your response to the opinion.

In accordance with MILPERSMAN 1160-100 published on 4 November 2005, the Selective Training and Reenlistment (STAR) program offers career designation to first term enlisted members who enlist or reenlist and thereby become eligible for the following career incentives: a. Guaranteed assignment to an appropriate Class "A" or "C" School (but not both). b. Possible advancement from petty officer third class (PO3) to petty officer second class (PO2) upon completion of a Class "C" School or a Class "C" School package, which is listed in the Career Schools Listing (CSL), MILPERSMAN 1510-020, and the latest NAVADMIN in effect on date of reenlistment, if otherwise eligible. c. Advancement to PO3 upon completion of Phase I of an Advanced Electronics Field (AEF) Class "A" School under automatic advancement procedures for the AEF program. d. Selective Reenlistment Bonus (SRB), if eligible (not guaranteed). Non-AEF E-3 personnel at time of STAR reenlistment will not be eligible for automatic advancement benefits of the STAR program. Non-nuclear personnel must have at least 17 months, but not more than 6 years, of continuous active Naval Service and not more than 8 years of active military service for other service veterans.

On 12 June 2013, you entered active duty for 4 years with an End of Active Obligated Service (EAOS) of 11 June 2017 and Soft End of Active Obligated Service (SEAOS) of 11 June 2018. In February 2015, you were awarded NEC L31A (Medical Laboratory Tech).
