Subj: REVIEW NAVAL RECORD OF FORMER MEMBER ██████████
██████████ XXX-XX-██████████, USMC

Ref: (a) 10 U.S.C. §1552
(b) OSD/DOD Name Change Provisions/Guidance

Encl: (1) DD Form 149 w/attachments
(2) Case Summary

1. Pursuant to the provisions of reference (a), Petitioner, a former member of the Marine Corps, filed enclosure (1) with this Board requesting a change to her naval record, specifically, to correct the record to reflect a name change. Enclosures (1) and (2) apply.

2. The Board, consisting of ██████████, ██████████, and ██████████ reviewed Petitioner's allegations of error and injustice on 15 April 2022, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of the naval records, and applicable statutes, regulations, and policies

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Although enclosure (1) was not filed in a timely manner, it is in the interests of justice to waive the statute of limitations and review the application on its merits.

c. At the time of Petitioner's entrance into the Marine Corps, Petitioner's legal name was ██████████. On 3 February 1995, Petitioner was discharged and issued a Certificate of Release or Discharge from Active Duty (DD Form 214) based on the name used while serving in the Marine Corps, specifically, ██████████.

d. After discharge from the Marine Corps, Petitioner, who is a transgender woman, had her name legally changed from ██████████ to ██████████ to align with her gender identity. In support of this request, Petitioner submitted a Social Security Card issued on 6 June 2017 to ██████████ and using the same social security number previously

issued to [REDACTED] and [REDACTED] state driver's license with photographic identification issued on 8 January 2021 to [REDACTED] under the same date of birth identified in the service records of [REDACTED] and a Department of Veterans Affairs identification card with photographic identification issued to [REDACTED] a Marine Corps veteran.

e. Based on the guidance reflected in reference (b) from the Office of the Secretary of Defense (OSD) and Department of Defense (DOD), former military personnel who have legally changed their name and sex, or are the subject of gender reassignment, may have their DD Form 214 changed to accurately reflect their present name and sex/gender. In this regard, the change may allow them to obtain various benefits, services, employment, etc., without being subject to otherwise invasive questions.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concludes Petitioner's request warrants favorable action.

The Board noted Petitioner has provided sufficient legal evidence (specifically, a social security card, driver's license, and veteran identification card reissued in accordance with Petitioner's name change) supporting her request. The Board found the legal actions taken by Federal and State authorities to change Petitioner's name to align with his gender identity, along with the provisions/guidance of reference (b), sufficient to support a change to his DD Forms 214 to reflect Petitioner's legal name.

In this regard, the Board noted that normally a DD Form 215 would be issued to correct the record, however, the Board concluded new and updated DD Forms 214 are warranted to eliminate the possibility of invasive questions. The Board further concluded that no other changes should be made to Petitioner's record (including not making changes to gender identifiers), and that both the previously issued DD Forms 214, and the new DD Forms 214 bearing the name "Amanda Louise Taylor" should remain in the record for historical purposes.

RECOMMENDATION:

In view of the above, the Board directs the following corrective action:

Petitioner be issued a new DD Form 214 that reflects the name [REDACTED] vice [REDACTED]

That no further changes be made to the record.

That a copy of this report of proceedings be filed in Petitioner's naval record, along with the previously issued DD Form 214 which reflect the name [REDACTED] and the updated DD Form 214 which reflect the name [REDACTED]
