Dear ██████████:

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code. After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

A three-member panel of the Board, sitting in executive session, considered your application on 9 June 2022. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations, and policies. In addition, the Board considered the advisory opinion by Headquarters, U.S. Marine Corps (HQMC) of 19 April 2022 which was previously provided to you for comment.

The Board determined that your personal appearance, with or without counsel, would not materially add to their understanding of the issues involved. Therefore, the Board determined that a personal appearance was not necessary and considered your case based on the evidence of record.

On 9 August 2004, you entered active duty. On 8 August 2014, you reenlisted for 4 years and 11 months with an End of Current Contract (ECC) of 7 July 2019 via BCNR action. On 1 September 2016, you were promoted to Gunnery Sergeant/E-7.

In accordance with MARADMIN 370/18 published on 2 July 2018, this bulletin announced the Selective Retention Bonus (SRB) program and the Broken Service SRB (BSSRB) program authorized for FY19. With the advent of several new SRB programs, Marines were encouraged to thoroughly review the contents of this bulletin. First term Marines (Zone A) and career Marines (Zone B, C, D, and E) who reenlisted on or after 5 July 2018 were eligible for the FY19 SRB program. This included any regular component first term or career Marine with an ECC from 1 October 2018 to 30 September 2019.
