(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to add active duty service on a new Certificate of release or Discharge from Active Duty (DD Form 214).

2. The Board, consisting of [REDACTED], reviewed Petitioner's allegations of error and injustice on 19 July 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. On 23 October 1982 Petitioner enlisted for 6 years in the U.S. Naval Reserve with an Expiration of Obligated Service, 22 October 1988 and on 26 October 1982 entered active duty for 4 years in the U.S. Navy with an End of Active Obligated Service (EAOS), 25 October 1986.

c. Petitioner was released from active duty and transferred to the Naval Reserve with a Honorable character of service and was issued a DD Form 214 for the period of 26 October 1982 to 25 September 1986 upon release from active duty and transfer to the Naval Reserve.

d. On 6 April 1987 Petitioner reenlisted for 2 years in the U.S. Navy with an EAOS, 5 April 1989.

e. On 10 February 1989 Petitioner signed an agreement to extend enlistment for 23 months with a Soft End of Active Obligated Service of 5 March 1991 in order to have EAOS coincide with Projected Rotation Date.

f. On 7 December 1990, Petitioner reenlisted, and was discharged with a General (Under Honorable Conditions) character of service and was issued a DD Form 214 for the period of 7 December 1990 to 3 January 1994 upon completion of required active service.

g. On 8 June 2005 Petitioner was issued an erroneous correction to his DD Form 214 (DD Form 215) effective 3 January 1994 changing block 12a (Date Entered AD this period) to 6 April 1987 vice 7 December 1990, along with some additional changes.

## CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2) and reference (b)<sup>1</sup>, the Board finds the existence of an injustice warranting the following partial corrective action. The Board concluded that Petitioner began a period of active duty beginning 6 April 1987 and in accordance with reference (b), Petitioner should have been issued a DD Form 214 when he reenlisted on 7 December 1990. It was not until reference (c)<sup>2</sup> was published that a service member could have had multiple continuous active service periods reflected on one DD Form 214.

## RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner's DD Form 215 effective 3 January 1994 is null and void.

Petitioner was issued a DD Form 214 for the period of 6 April 1987 to 6 December 1990.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and

---

<sup>1</sup> Reference (b), the DD Form 214 is prepared to cover periods of service on active duty, temporary active duty, some periods of active duty for training, certain periods terminated by a change of status not concurrent with separation from active service, and release from a status that is legally determined to be void. The DD Form 214 will be prepared and furnished to members while serving on active duty when they have a change of status or component as follows: Discharged for the purpose of immediate enlistment or reenlistment.

<sup>2</sup> Reference (c), the DD 214 is prepared to cover periods of service on active duty, active duty for training, full-time training duty, active duty for special work, certain periods terminated by a change of status not concurrent with separation from active service, and release from a status that is legally determined to be void. The DD 214 will not be prepared or issued in the case of personnel: Who are discharged for immediate enlistment or reenlistment.
