Dear ██████████:

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code. After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

Although your application was not filed in a timely manner, the Board found it in the interest of justice to waive the statute of limitations and consider your case on its merits. A three-member panel of the Board, sitting in executive session, considered your application on 12 May 2022. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations, and policies, to include DoD 7000.14-R<sup>1</sup>.

The Board determined that your personal appearance, with or without counsel, would not materially add to their understanding of the issues involved. Therefore, the Board determined that a personal appearance was not necessary and considered your case based on the evidence of record.

On 15 April 1985, you enlisted for 8 years in the United States Marine Corps Reserve with an End of Obligated Service of 14 April 1993. You were issued a Certificate of Release or Discharge from Active Duty (DD Form 214) for the period of 20 May 1985 to 10 August 1985.

On 7 June 1989, you were issued new appointment orders (BUPERS order: ██████████) while residing at ██████████. Intermediate activity was ██████████ or temporary duty under instruction with an effective date of arrival no earlier than 1 July 1989 and no later than 3 July 1989. Ultimate activity was ██████████ for duty under instruction with an effective date of arrival of August 1989.

<sup>1</sup> In accordance with DoD 7000.14-R FMR Volume 7A, Chapter 1, some medical and dental officers are entitled to extra credit for longevity purposes to reflect the time spent in medical or dental school. Medical and dental officers must meet one or more of the following criteria to be entitled to the constructive credit: On or before September 14, 1981, if the individual was enrolled in either the Armed Forces Health Professions Scholarship Program (AFHPSP) or in the Doctor of Medicine (DOM) program at the Uniformed Services University of Health Sciences (USUHS), completed that program, and was appointed as a medical or dental officer. The Secretary of Defense shall establish such selection procedures, service obligations, and other requirements as the Secretary considers appropriate for graduate students (other than Doctor of Medicine (DOM) students) in a postdoctoral, postgraduate, or technological institute established pursuant to 10 U.S.C. § 2113(e). The subparagraph 2.2.1.8, does not apply to graduate students. In computing active service, do not count: Except for periods of active duty service performed while a Uniformed Services University of Health Sciences (USUHS) DOM student, time served as a DOM student at USUHS.
