1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to establish entitlement to Continuation Pay (CP).

2. The Board, consisting of **Construction**, **Construction**, and **Construction** reviewed Petitioner's allegations of error and injustice on 22 June 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. Petitioner's Pay Entry Base Date (PEBD) was set to 3 July 2009.

b. Petitioner elected to participate in the Blended Retirement System (BRS)on 12 April 2018 and his last day to elect CP was 2 July 2021.

c. Petitioner signed NAVMC 11905, Active Duty Blended Retirement System (BRS) Continuation Pay Statement of Understanding (SOU) on 27 April 2022 and elected lump sum payment.

action. Petitioner met the eligibility criteria for CP but failed to make the election in accordance with references (b) and $(c)^2$ prior to passing the 12-year service deadline. However, the Board determined that Petitioner was deployed during the election period and with the 12-hour time difference, it is plausible that he was unable to communicate with his Installation Personnel Center prior to surpassing the 12-year deadline. Although Petitioner did not complete the proper administrative requirements, the Board felt that under these circumstances, relief is warranted.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner, in coordination with his command completed the required Statement of Understanding prior to reaching 12 years of service and submitted it to Commandant of the Marine Corps (CMC) for inclusion in the Petitioner's Official Military Personnel File.

CMC validated Petitioner's CP eligibility and released CP authorization to Defense Finance and Accounting Service (DFAS). Note: DFAS will complete an audit of Petitioner's pay records to determine retroactive pay entitlement.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
