2. The Board, consisting of [REDACTED], [REDACTED] and [REDACTED] reviewed Petitioner's allegations of error and injustice on 26 May 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. 3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

e. On 20 July 2021 Petitioner honorably discharged effective this date and issued DD Form 214.

CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following corrective action.
