## CONCLUSION

Upon review and consideration of all the evidence of record, the Board agreed that Petitioner moved before orders issued and is not authorized a reimbursement for his PPM, in accordance with reference (b), paragraph 051302. However, Petitioner's separation orders were not issued in a timely manner to allow a smooth transition of his HHG and be eligible for reimbursement. The Board finds the existence of an injustice warranting the following corrective action.

## RECOMMENDATION

Petitioner is advised to resubmit his PPM claim, orders, receipts, and a copy of the Board of Correction of Naval Records' decision to the HHG-AT for re-adjudication.

Settlement of claim is chargeable to the line of accounting on the Petitioner's BUPERS Separation Order 3421.

That no further changes be made to Petitioner's naval record.

That a copy of this report of proceedings be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
