(c) Title 38 U.S.C. Chapter 33

(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to establish eligibility to transfer Post-9/11 GI Bill education benefits to eligible dependents.

2. The Board, consisting of [REDACTED], [REDACTED], and [REDACTED] reviewed Petitioner's allegations of error and injustice on 1 June 2022 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. The Post-9/11 Veterans Educational Assistance Act (Post-9/11 GI Bill, Public Law 110-252) was signed into law on 30 June 2008 and became effective on 1 August 2009. The bill provides financial support for education and housing for service members with at least 90 days of service on or after 11 September 2001. The act also includes provision for qualifying service members to transfer education benefits to their eligible dependents. General descriptions of the essential components of the law were widely available beginning in summer 2008 but specific implementing guidance was not published until summer 2009.

b. In accordance with reference (b), the option to transfer a Service member's unused education benefits to an eligible dependent required a 4-year additional service obligation at the time of election. Additionally, all officers were required to have a NAVPERS 1070/613,

Administrative Remarks, prepared by their command in the Navy Standard Integrated Personnel System Electronic Service Record (ESR), agreeing to serve the required additional years of service prior to initiating their electronic transfer election. Furthermore, the policy directed members to periodically check the status of their application; a denied transfer of education benefits (TEB) application required members to take corrective action and reapply with a new service obligation end date.

c. Petitioner's Active Duty Service Date is 13 December 1993.

d. Petitioner's has three children: [REDACTED] born on [REDACTED], [REDACTED] born on [REDACTED] and [REDACTED] on [REDACTED].

e. Petitioner submitted TEB application on 14 November 2013. The Service rejected the application on 15 November 2013 indicating, Petitioner "had not committed to the required additional service time." Petitioner's ESR does not contain the required NAVPERS 1070/613, Administrative Remarks.

CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following corrective action. Petitioner met the basic eligibility criteria to transfer Post-9/11 GI Bill education benefits but failed to complete the administrative requirements outlined in reference (b). Although Petitioner did not complete the proper administrative requirements, the Board determined by submitting a TEB application on 14 November 2013, and continued active duty service thereafter meets the spirit and intent of reference (c), therefore, under these circumstances, relief is warranted.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner, in coordination with his command completed the required NAVPERS 1070/613, Administrative Remarks on 14 November 2013, and submitted it to Commander, Navy Personnel Command for inclusion in the Petitioner's Official Military Personnel File.

Petitioner elected to transfer unused education benefits to [REDACTED]/12-months, [REDACTED]/12-months, and [REDACTED]/12-months through the MilConnect TEB portal on 14 November 2013.

Commander, Navy Personnel Command (PERS-314) reviewed Petitioner's TEB application and it was approved on 14 November 2013 with a 4-year service obligation.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.
